- We have been selected to be the host Chapter for the 2017 National Conference & Exposition!
- The Philadelphia Chapter is celebrating their 40th Anniversary on Saturday, May 14, 2016 at WHYY Philadelphia!

To commemorate 40 years of leadership excellence, we are launching the **LOT Endowment Fundraising Campaign!** Our goal is to ensure the sustainability of our premier youth initiative, the [Leaders of Tomorrow \(LOT\) Program](#).

The LOT program objectives are to educate and prepare African American high school students for life in college and beyond, as exemplary corporate citizens. We focus on leadership development, college preparation and career exploration for high school students from the Greater Philadelphia area including southern New Jersey and all of Delaware.

You can support this effort by helping us to raise the initial funds to activate the endowment fund! We are asking our members, friends, and supporters for a contribution* of *“\$40 for 40 years”* and make a difference in the lives of local African American students & professionals!
